OFFICE OF THE DIRECTOR
Room 2E 845, The Pentagon
Washington 25, D. C.

8 June 1961

Mr. Allen W. Dulles
Director of Central Intelligence
Washington 25, D. C.

Dear Mr. Dulles:

25X1 I desire to make of record the outstanding work of
Dr. [] of your organization in the contribution
he has made to two important studies conducted by the staff
of the Net Evaluation Subcommittee.

25X1 [] has done a superior job since his assignment
on this staff. His intelligence and "big picture" approach
to the solution of problems, his diplomatic presentation of
his ideas and recommendations to his military co-workers,
his good judgment and sound common sense, and his willing-
ness to do his "homework" in order to obtain knowledge of
all sides of a particular problem--all these, together with
the integrity he has displayed throughout his work here,
have made him an invaluable member of this staff.

I feel that I would be remiss if I did not tell you how
grateful I am for the assignment of such an individual from
your organization. His efficiency and effectiveness have
been a large factor in any success which this staff may have
had in the solution of problems which they worked on.

Very sincerely,

THOMAS F. HICKEY
Lieutenant General, USA
Director
